

# WRITING OUR HEROES

Homefront Hugs Foundation

## WRITING TROOPS & VETS

Send all personalized cards, drawings, banners and letters to the address below (not just signed but always sign everything with a first name at least and state if possible to let heroes know where you are from)

*Homefront Hugs*

*314 Goodmans Xing*

*Clark, NJ 07066*

Please make sure even if you are placing all the cards in one envelope or box that you mark anywhere on the cards or drawings or letters **WHOM** they are for :

**For a Wounded Hero, For a Deployed Hero**

**For a Nurse, For a Medic, For a Sick Veteran**

**For a Hospitalized Vet, For a Chaplain, For a Tech**

**For a Military Working Dog,**

**“ What do you mean when you say PERSONALIZE ? “**

Add at least 1-2 sentences or drawing if you can't write yet, or a photo of your family or pets, add a joke or about where you live, your typical day, and yes you can add your email or address in case they have time to write back . Be creative! This helps their healing and being far away from home. If they are not heartfelt and feeling like Homefront Hugs, they are not sent onwards. Bottom line – they need to feel like REAL Homefront Hugs! ❤️ We accept these all year long and 2-3 weeks before holidays or they have to wait 'til next year. Thanks so much!
