

What is Homefront Hugs?

Homefront Hugs is a somewhat corny name for an awesome organization with a heart and a will to give unconditional support to troops, their families, and veterans.

If you ever wanted to thank someone who serves up close and not from a distance you've come to the right place...

Homefront Hugs USA. We remember our heroes and try to help make their sacrifices more bearable.

If you have any time to volunteer from home... join our incredible volunteers from all over the USA! You can adopt a hero or if time is limited...donate to our missions.

" How we treat our veterans reflects upon the very soul of our country." Sandy Kellermann

Freedom Endures™

"It is the soldier, not the reporter,
Who has given us freedom of the press.
It is the soldier, not the poet,
Who has given us freedom of speech.
It is the soldier, not the campus organizer,
Who has given us the freedom to demonstrate.
It is the soldier,
Who salutes the flag,
Who serves beneath the flag,
And whose coffin is draped by the flag,
Who allows the protester to burn the flag."
- Father Dennis E. O'Brien, USMC

Homefront Hero Hugs Program

You can make a difference in a hero's life by adopting a soldier, sailor, airman, or veteran. You can obtain an application by sending an email with "adopt" in the subject line to adoptions@HomefrontHugs.org.

If you are a veteran in need, wounded vet, or deployed hero, we would be honored to spoil you and share some TLC. Please don't be shy!

If adopting a hero, you will be responsible for two contacts per month: a package and a letter.
