\_\_\_\_\_ I did receive your care packages and thank you. Here is my Email: \_\_\_\_\_ but I am not always available through email so please send me real letters !

\_\_\_\_\_ I received your care packages and don't need them because we are living in a five star hotel with plenty to eat, daily massages and even pedicures, and getting everything we need. Thanks anyway.

\_\_\_\_\_ I have not received any care packages except this letter but thank you for trying.

\_\_\_\_\_ I received your care packages and I am returning home soon...so no need to send any more - thank you very much.

\_\_\_\_\_ I received your care packages, they are wonderful and I have some more troops who could use some! (Just let Alessandra know at [Adoptions@HomefrontHugs.org](mailto:Adoptions@HomefrontHugs.org) . Just email her and send her their names, addresses and about how long they need support.)

\_\_\_\_\_ I received the care packages but I need some specific items if possible - thank you so much! Here is what I could really use if possible only:
