Operation Pillow Hugs

Make a forever keepsake to help MSD High School Students heal ...Share the love and let's heal together with these creative Homefront Hugs !

- ◆ Collect some light colored pillowcases and decorate them with permanent or fabric markers for the 3000 students at Marjorie Johnson Douglas High School .
- ◆ Please let Homefront Hugs know how many you are making as 3000 are needed and we need to make certain we have enough.
Volunteer@HomefrontHugs.org
- ◆ Set time aside to decorate these pillowcases and consider having a piece of cardboard inside the pillowcase so it doesn't make marks on the other side and you can decorate on both sides .
- ◆ Add your first name and age and state (and school if you want) on the pillowcase ...after decorating and adding any positive messages
- ◆ **Deadline:** Send them to us by March 31st or send directly to the high school on March 27th (no sooner no later) so they arrive BY April 2nd .
